

SPORTS PREMIUM 2021-2022

MARCH 2021

The Governors wish this grant to be as effective as possible in supporting children in their current and long-term physical health and mental wellbeing. This has become a greater priority following the restrictions of the Coronavirus lockdown when schools were closed to most children.

The plan below will be reviewed for effectiveness and value for money.

At Sheriff Hutton Primary School we receive a total of £16,885 for the academic year. We have £800 carried forward from 2020-2021.

This funding is to be used to 'make additional and sustainable improvements to the quality of PE and sport they offer.' (DfE Guidance on Sports Premium Funding). This means we should use our Primary PE and Sport Premium to:

- Develop or add to the PE and sport activities that we already offer
- Build capacity and capability to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
- The profile of PE and sport is raised across the school as a tool for whole-school improvement;
- Increased confidence, knowledge and skills of all staff in teaching PE and sport;
- Broader experience of a range of sports and activities offered to all pupils;
- Increased participation in competitive sport.

SWIMMING

Schools need to report on how they meet the national curriculum requirements for swimming and water safety.

Swimming lessons are arranged for the summer term for the children in Years 3 to 6.

We offer our swimming session primarily in Years 3 and 4 when children are able to pick up new skills quickly. Our aim is for all children to swim 25m by the end of Year 4.

In Years 5 and 6 we offer an intensive training programme to extend children's skills and further develop their swimming technique to ensure those who did not meet the 25m requirement in Years 3 and 4 can attain this level of confidence.

Does your school receive sufficient data which shows progress and attainment in swimming?

- Do children make significant progress during school swimming lessons?
- Do you utilise school staff to support with the swimming lessons?
- Do all children meet the national curriculum levels for swimming?

What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	

National Curriculum for Swimming and water safety

All schools must provide swimming instruction either in key stage 1 or key stage 2.

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.
