Sheriff Hutton Primary School

Spring Term Menu 2023

This term we are running a three week menu.

The school's 'Food Council' helped to design our final menu alongside the catering staff and in line with North Yorkshire's recommendations.

We will continue to offer a 'cold option' throughout the term – this includes a choice of sandwiches and vegetable sticks (carrot, cucumber, pepper etc). The dessert is as listed on the following menu.

School Meals in North Yorkshire

Children and young people in North Yorkshire can be confident that they are enjoying the best of British when they sit down to enjoy a school lunch provided by North Yorkshire County Council's school meal service, Facilities Management - Catering.

All food suppliers are based in the Yorkshire region with the majority being family owned businesses. Only fresh meat and poultry is used in school lunches most of which is sourced from within the county boundary.

Half of all fruit and vegetables are sourced from the north of England and all the eggs we use are free range. They are sourced in the Yorkshire region and have received a "Good Egg Award" for our free range egg policy from the animal welfare charity Compassion in World Farming.

We use a range of fair trade products including sugar, coffee and cocoa. Gluten free items are also stocked including sausages, pasta, flour and bread and we are now using organic pasta as well.

All food served in our schools is freshly prepared from scratch every day.
